

Our Current and Past Residents

Current Residents - 2022-2023

Ryan Booth, PharmD

Education: University of Kentucky College of Pharmacy Class of 2022, PharmD

Professional areas of interest: Ambulatory Care, Internal Medicine, Geriatrics

Research project: Impact of baseline procalcitonin ordering in the emergency department on antimicrobial discontinuation in patients with sepsis at a rural community health system

Career goals: Practice as an ambulatory care or clinical pharmacist and precept students

Hobbies/interests: camping, traveling, trying new foods, and keeping up with UK sports

Email: rmbooth@emhealth.org

Josh Brown, PharmD, MPH

Education: University of Kentucky College of Pharmacy Class of 2022, PharmD; University of Kentucky College of Public Health Class of 2022, Master of Public Health

Professional areas of interest: Ambulatory Care, Oncology, Information Technology

Research project: Impact of clinical decision support tools on the optimization of ceftriaxone dosing in patients with bacteremia in a rural community health system

Career goals: Pursue either a PGY2 program in ambulatory care or oncology or a staff pharmacist position in a hospital setting. Long-term I would like to have a role in pharmacy education with an adjunct professor role in a college of pharmacy/nursing/physician assistant.

Hobbies/interests: spoiling my pembroke welsh corgi Kiwi, playing ukulele, and watching movies with my wife

Email: jebrown@emhealth.org
